

protegit has a passion for excellence...

The Sydney Opera House is a masterpiece of late modern architecture and admired internationally as well as treasured at home.

Gateway Review

Do you need help to ensure your project is delivered on time, within budget and to the required level of quality?

Construction of the Sydney Opera House was initially estimated to take 3½ years, yet it took more than 16 years to complete. The cost was 1,400% over budget.

Our Gateway Review service will deliver short intensive evaluations of your project investment at up to six critical stages or key decision points. The process will give you confidence your project is ready or not to proceed, based on objective analysis.

"Protegit is one of Australia's leading independent management consulting companies working across the full spectrum of project management and specialising in the ICT sector. We are committed to ensuring our customers always obtain the best project outcomes."
