

protegit has a passion for excellence...

The Panama Canal unites the Atlantic and Pacific Oceans at one of the narrowest points. This shortcut is just 80kms long but through it transits 14,000 vessels carrying nearly 280 million tonnes of trade goods each year.

Program Management Office [PMO]

Do you have difficulties in ensuring consistent standards and reporting across your entire project pipeline?

The Canal is a marvel of engineering, but its construction had to overcome many difficulties resulting from poor design, severe financial problems and generally poor program and project management.

Our suite of Program Management Office [PMO] services will assure the consistency and quality of the program and project management processes across your business, saving you time, money and helping assure the delivery of the benefits you expect from every project commissioned.

"Protegit is one of Australia's leading independent management consulting companies working across the full spectrum of project management and specialising in the ICT sector. We are committed to ensuring our customers always obtain the best project outcomes."
